August 17, 2004

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**ADOPT A RESOLUTION AUTHORIZING THE SHERIFF TO ACCEPT A GRANT
AWARD FROM THE GOVERNOR'S OFFICE OF EMERGENCY SERVICES
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD

1. Adopt a resolution (Attachment I) authorizing:
 - The Sheriff, on behalf of the Southern California High Tech Task Force, to accept a High Technology Theft Apprehension and Prosecution Program grant award from the Governor's Office of Emergency Services (OES), for Fiscal Year (FY) 2004-2005, in the amount of \$1,973,600.
 - The Sheriff, or his designee, on behalf of the County of Los Angeles, to serve as project director of the program, to sign and execute said grant award, and to perform all further tasks necessary for completion of the project, including execution of amendments, modifications, extensions, contracts, and other award documents.
2. Request the Chairman of the Board to provide a wet signature to the Certification of Assurance of Compliance (Attachment II) as required by OES.

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION

On June 29, 2004, the Governor's Office of Emergency Services notified the five California High Tech Task Forces of their allocations, each in the amount of \$1,973,600 (Attachment III).

A Tradition of Service

The Honorable Board of Supervisors
August 17, 2004
Page 2

This letter requests adoption of a resolution, as required by the Governor's Office of Emergency Services, to apply for the allocation of grant funds for the Southern California High Tech Task Force Program for the period of July 1, 2004, through June 30, 2005.

The Southern California High Tech Task Force (SCHTTF) selected the Los Angeles County Sheriff's Department (LASD) to be the lead agency for receipt of the OES grant award for the High Technology Theft Apprehension and Prosecution Program (HTTAP).

Senate Bill 438 and Penal Code Section 13848 established a program of financial and technical assistance in the OES, which has been designated to the HTTAP. The OES awarded a HTTAP grant to Los Angeles, Orange, and Ventura Counties, which make up the Southern California High Tech Task Force. The grant was awarded to the Los Angeles County Sheriff, who was designated by your Board as the project director.

There are currently 24 law enforcement agencies in the Southern California High Tech Task Force servicing Los Angeles, Orange, and Ventura Counties. There are eight police departments, three sheriff's departments, three district attorney's offices, six federal agencies, and four state agencies. These agencies, bound by the Memorandum of Understanding, collaborate efforts to investigate, apprehend, and prosecute perpetrators of high technology crimes. There is also a Local Steering Committee comprised of members of high technology private industries, law enforcement, and academia.

LASD and other agencies will provide grant funded and in-kind support staff for the Task Force. All participating agencies will contribute at least one Task Force member to assist in Task Force investigations.

Implementation of Strategic Plan Goals:

The program conforms to the Los Angeles County Strategic Plan Goal No. 1, Service Excellence, by providing committed employees to support the Southern California High Tech Task Force in the community. The Task Force will continue to reduce the number of high tech crimes and improve the quality of life for citizens in Los Angeles, Orange, and Ventura Counties. The program also supports Strategy Plan Goal No. 5, Children and Families' Well-being.

FISCAL IMPACT/FINANCING

This grant award is for the 12 month period, commencing July 1, 2004, and ending June 30, 2005. The grant award includes \$1,703,368 to LASD and \$270,232 to the

Los Angeles District Attorney (LADA), for administration, investigation, operation, prosecution, and equipment expenses for the Task Force. A 25 percent in-kind match of \$493,400 is required to receive grant funding. LASD is contributing to this match by donating portions of a lieutenant, a sergeant, and five detective positions.

An appropriation adjustment, which will provide funding for the Sheriff's and District Attorney's budgets for Fiscal Year 2004-2005, will be sought when the fully executed award document is received. Agencies outside the County receiving salary funding are Ventura County Sheriff (\$46,968), Ventura County District Attorney (\$322,701), and California Department of Justice (\$9,908).

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Due to the passage of Senate Bill 438, Los Angeles, Orange, and Ventura Counties' law enforcement and prosecution agencies are involved with local and state law enforcement agencies in the California High Technology Theft Apprehension and Prosecution Program. This program has become a statewide effort to address the growing rate of high technology crime that is either undetected, unenforced, or unreported to law enforcement. According to the American Electronics Association, high technology crimes in the United States reached a total of \$3.5 trillion in 1995. The participating agencies of Los Angeles, Orange, and Ventura Counties are one of the State's regional Task Forces under this program. Other regional Task Forces are currently operational in the Sacramento and Napa Valleys, Santa Clara and San Diego Counties.

This Board letter and Resolution has been cleared by County Counsel and the affected departments.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This program, continuing into its seventh year, has created workload increases for the County Justice Departments, including the District Attorney, Public Defender, and the Alternate Public Defender, as suspects are investigated and subsequently charged with their crimes. However, the benefit to public safety of the County far outweighs the additional impact to the County Justice Departments.

CONCLUSION

Upon Board approval, the Sheriff's Department's Grants Unit needs to obtain four individually certified copies of the Board-adopted letter, one signed Certification of Assurances, and three duly signed Resolutions.

The Applicant agrees to provide all matching funds required for said project (including any amendment thereof) under the Program and the funding terms and conditions of OES, and that any cash match will be appropriated as required. It is agreed that any liability arising out of the performance of this Grant Award Agreement, including civil court actions for damages, shall be the responsibility of the grant recipient and the authorizing agency. The State of California and OES disclaim responsibility of any such liability. Furthermore, it is also agreed that grant funds received from OES shall not be used to supplant expenditures controlled by the city council/governing board.

The Applicant is required to obtain written authorization from the city council/governing board that the official executing this agreement is, in fact, authorized to do so. The Applicant is also required to maintain said written authorization on file and readily available upon demand.

All appropriate documentation must be maintained on file by the project and available for the OES or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the grantee may be ineligible for award of any future grants if the OES determines that any of the following has occurred: (1) the grantee has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.

CERTIFICATION

I, the official named below, am the same individual authorized to sign the Grant Award Agreement [line 13 on Grant Award Face Sheet], and hereby swear that I am duly authorized legally to bind the contractor or grant recipient to the above described certification. I am fully aware that this certification, executed on the date and in the county below, is made under penalty of perjury under the laws of the State of California.

PROGRAM - REGIONAL TASK FORCE PROJECT DIRECTORS

Subject: FY 2004/2005 REQUEST FOR APPLICATION (RFA)

Enclosed is the Request for Application (RFA) for the High Technology Theft Apprehension and Prosecution Program. This funding opportunity is available to currently funded California High Technology Task Forces including the County of Los Angeles, Sheriff's Department; County of Marin, Office of the District Attorney; County of Sacramento, Sheriff's Department; County of San Diego; Office of the District Attorney; and County of Santa Clara, Office of the District Attorney.

The deadline for submitting applications is Monday, August 2, 2004. To receive funding under this program, please complete the enclosed application and return it to:

Office of Emergency Services
Criminal Justice Programs Division
Attention: Crime Suppression Section
High Tech Crime Program (HTTAP)
3650 Schriever Ave
Mather, California 95655

It is anticipated that five regional High Technology Task Forces will be allocated \$1,973,600 for the 12-month grant period July 1, 2004 through June 30, 2005. All projects are required to include a 25% match on funds allocated (\$493,400), for a total project budget of \$2,467,000.

Funding for this program is contingent on the enactment of the fiscal year 04-05 state budget. Any reductions to the High Technology Theft Apprehension and Prosecution (HTTAP) Program within the 04-05 state budget will result in reductions to the anticipated

allocation amounts for these projects. OES does not have the authority to disburse any funds until the budget is passed and the Grant Award Agreement is fully executed.

If you have any questions regarding this application, please contact Linda Battles, Sr. Program Specialist, at linda.battles@oes.ca.gov or telephone (916) 322-0892.

Sincerely,

JOYCE FONG, Chief
Crime Suppression Section
